You must file a tax return if the enclosed Form 1095-A shows that you got advance payments of the premium tax credit. See Part III, Column C on your form.

Dear Marilyn Nabors:

A **corrected** "Form 1095-A, Health Insurance Marketplace Statement" is enclosed for coverage year 2017. You'll need information from this form when you file your 2017 federal income tax return.

This corrected Form 1095-A replaces your original Form 1095-A. The correction may be the result of an error that you or your health insurance company reported on your original Form 1095-A. Disregard all earlier versions of Form 1095-A for Marketplace-assigned policy number 52587202 (see Box 2 of this form). This notice **doesn't** apply to a Form 1095-A with a different Marketplace-assigned policy number, if you have one.

You may get more than one Form 1095-A

This notice applies only to Form 1095-A for Marketplace-assigned policy number 52587202. You may get more than one Form 1095-A if different members of your household had different health plans, you updated your application information during 2017, or you switched plans during 2017. Be sure to keep all Forms 1095-A with your important tax documents.

You must file a tax return

You must file a federal income tax return if you or another member of your household got advance payments of the premium tax credit in 2017 to lower premium costs, even if you don't normally file a return. If advance payments are made on your or a family member's behalf and you don't file a tax return, you won't be eligible for advance payments of the premium tax credit or cost-sharing reductions to help pay for your Marketplace health coverage in future years.

When you file your tax return electronically or by mail, you must complete and file "Form 8962, Premium Tax Credit." **Use the information on this corrected Form 1095-A to complete Form 8962.** The Form 1095-A also indicates which months of 2017 you and other members of your household had health coverage. You'll need that information to complete your tax return. More information about Form 1095-A can be found in the "Instructions for Recipient" section on the back of the enclosed form. If you need Form 8962, visit IRS.gov/aca.

Changes to your Form 1095-A information

If you think information on the attached corrected Form 1095-A is incorrect, call the Marketplace Call Center at 1-800-318-2596 to find out how to get a new corrected Form 1095-A. TTY users can call 1-855-889-4325.

Why Form 1095-A is important

Form 1095-A includes:

- Information about any members of your household who were enrolled in a Marketplace plan during 2017.
- Information about your Marketplace plan premium and other information you may need to fill out your federal income tax return.
- The amount of any advance payments of the premium tax credit that we paid in 2017 to a health plan on behalf of any members of your household.

If you had changes in your family

If you had certain changes in your family (for example, if you moved) during 2017 and didn't report the changes to the Marketplace, you'll need more information when you file taxes, in addition to what's included in your corrected Form 1095-A. Visit [HealthCare.gov/tax-tool](https://www.healthcare.gov/tax-tool) to get the additional information you need to figure out your premium tax credit. You can also visit [IRS.gov](https://www.irs.gov) to find more details in the Instructions for Form 8962.

Will I need to file an amended return?

You may need to file an amended return if you already filed your federal tax return for 2017 and at least one of the following is true:

- You used information from a previous Form 1095-A with the policy number shown above.
- Your corrected Form 1095-A has zeroes printed in Part III, column B for the months you had coverage.

Visit [IRS.gov](https://www.irs.gov) and enter the keywords "amended return" for more information on when to file an amended return.

You also may get Form 1095-B or Form 1095-C

If you or members of your household had coverage in 2017 through other programs or plans outside of the Marketplace, you may also get a "Form 1095-B, Health Coverage" or "Form 1095-C, Employer-Provided Health Insurance Offer and Coverage." It's important to follow the instructions on these forms, so you fill out your federal income tax return correctly.

The monthly enrollment premium listed on your Form 1095-A (Part III, Column A) may be different from your plan's full monthly premium amount

This doesn't always mean there are errors that need to be corrected. The monthly premium on your Form 1095-A may be different from what you expect because:

- Your plan included benefits in addition to the essential health benefits required by the health care law, like adult dental or vision benefits. In this case, the monthly enrollment premium on your Form 1095-A may show only the amount of your premium that applied to essential health benefits.
- You or a household member started or ended coverage mid-month. In this case, your Form 1095-A will show only the premium for the parts of the month coverage was provided.
- You were enrolled in a stand-alone dental plan and a dependent under 18 was enrolled in it. In this case, the monthly enrollment premium on your Form 1095-A may be higher than you expect because it includes a portion of the dental plan premiums for pediatric benefits.

If any of these applied to you, the premium shown on your Form 1095-A is probably correct. If you still think the information on your 1095-A is wrong, contact the Marketplace Call Center.

Instructions for Recipient

You received this Form 1095-A because you or a family member enrolled in health insurance coverage through the Health Insurance Marketplace. This Form 1095-A provides information you need to complete Form 8962, Premium Tax Credit (PTC). **You must complete Form 8962 and file it with your tax return (Form 1040, Form 1040A, or Form 1040NR) if any amount other than zero is shown in Part III, column C, of this Form 1095-A (meaning that you received premium assistance through advance credit payments) or if you want to take the premium tax credit.** The filing requirement applies whether or not you're otherwise required to file a tax return. If you are filing Form 8962, you cannot file Form 1040EZ, Form 1040NR-EZ, Form 1040-SS, or Form 1040-PR. The Marketplace also has reported the information on this form to the IRS. If you or your family members enrolled at the Marketplace in more than one qualified health plan policy, you will receive a Form 1095-A for each policy. Check the information on this form carefully. Please contact your Marketplace if you have questions concerning its accuracy. If you or your family members were enrolled in a Marketplace catastrophic health plan or separate dental policy, you aren't entitled to take a premium tax credit for this coverage when you file your return, even if you received a Form 1095-A for this coverage. For additional information related to Form 1095-A, go to www.irs.gov/Affordable-Care-Act/Individuals-and-Families/Health-Insurance-Marketplace-Statements.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), including the individual shared responsibility provisions, the premium tax credit, and the employer shared responsibility provisions, see www.irs.gov/Affordable-Care-Act/Individuals-and-Families or call the IRS Healthcare Hotline for ACA questions (1-800-919-0452).

VOID box. If the "VOID" box is checked at the top of the form, you previously received a Form 1095-A for the policy described in Part I. That Form 1095-A was sent in error. You shouldn't have received a Form 1095-A for this policy. Don't use the information on this or the previously received Form 1095-A to figure your premium tax credit on Form 8962.

CORRECTED box. If the "CORRECTED" box is checked at the top of the form, use the information on this Form 1095-A to figure the premium tax credit and reconcile any advance credit payments on Form 8962. Don't use the information on the original Form 1095-A you received for this policy.

Part I. Recipient Information, lines 1–15. Part I reports information about you, the insurance company that issued your policy, and the Marketplace where you enrolled in the coverage.

Line 1. This line identifies the state where you enrolled in coverage through the Marketplace.

Line 2. This line is the policy number assigned by the Marketplace to identify the policy in which you enrolled. If you are completing Part IV of Form 8962, enter this number on line 30, 31, 32, or 33, box a.

Line 3. This is the name of the insurance company that issued your policy.

Line 4. You are the recipient because you are the person the Marketplace identified at enrollment who is expected to file a tax return and who, if qualified, would take the premium tax credit for the year of coverage.

Line 5. This is your social security number. For your protection, this form may show only the last four digits. However, the Marketplace has reported your complete social security number to the IRS.

Line 6. A date of birth will be entered if there is no social security number on line 5.

Lines 7, 8, and 9. Information about your spouse will be entered only if advance credit payments were made for your coverage. The date of birth will be entered on line 9 only if line 8 is blank.

Lines 10 and 11. These are the starting and ending dates of the policy.

Lines 12 through 15. Your address is entered on these lines.

Part II. Covered Individuals, lines 16–20. Part II reports information about each individual who is covered under your policy. This information includes the name, social security number, date of birth, and the starting and ending dates of coverage for each covered individual. For each line, a date of birth is reported in column C only if an SSN isn't entered in column B.

If advance credit payments are made, only the individuals for whom you attested the intention to claim a personal exemption deduction (yourself, spouse, and dependents) to the Marketplace at enrollment will be listed on Form 1095-A. If you attested to the Marketplace at enrollment that one or more of the individuals who enrolled in the plan aren't individuals for whom you intend to claim a personal exemption deduction on your tax return, those individuals won't be listed on your Form 1095-A. For example, if you indicated to the Marketplace at enrollment that an individual enrolling in the policy is your adult child for whom you won't claim a personal exemption deduction, that child will receive a separate Form 1095-A and won't be listed in Part II on your Form 1095-A.

If advance credit payments are made and you attest that one or more enrolled individuals aren't individuals for whom you intend to claim a personal exemption deduction, your Form 1095-A will include coverage information in Part III that is applicable solely to the individuals listed on your Form 1095-A, and separately issued Forms 1095-A will include coverage information, including dollar amounts, applicable to those individuals.

If advance credit payments weren't made and you didn't identify at enrollment the individuals for whom you intended to claim a personal exemption deduction, Form 1095-A will list all enrolled individuals in Part II on your Form 1095-A.

Part II also tells the IRS the months that the individuals identified are covered by health insurance and therefore have satisfied the individual shared responsibility provision.

If there are more than 5 individuals covered by a policy, you will receive one or more additional Forms 1095-A that continue Part II.

Part III. Coverage Information, lines 21–33. Part III reports information about your insurance coverage that you will need to complete Form 8962 to reconcile advance credit payments or to take the premium tax credit when you file your return.

Column A. This column is the monthly premiums for the plan in which you or family members were enrolled, including premiums that you paid and premiums that were paid through advance payments of the premium tax credit. If you or a family member enrolled in a separate dental plan with pediatric benefits, this column includes the portion of the dental plan premiums for the pediatric benefits. If your plan covered benefits that aren't essential health benefits, such as adult dental or vision benefits, the amount in this column will be reduced by the premiums for the non-essential benefits. If the policy was terminated by your insurance company due to nonpayment of premiums for one or more months, then a -0- will appear in this column for these months regardless of whether advance credit payments were made for these months.

Column B. This column is the monthly premium for the second lowest cost silver plan (SLCSP) that the Marketplace has determined applies to members of your family enrolled in the coverage. The applicable SLCSP premium is used to compute your monthly advance credit payments and the premium tax credit you take on your return. See the instructions for Form 8962, Part II, on how to use the information in this column or how to complete Form 8962 if there is no information entered. If the policy was terminated by your insurance company due to nonpayment of premiums for one or more months, then a -0- will appear in this column for the months, regardless of whether advance credit payments were made for these months.

Column C. This column is the monthly amount of advance credit payments that were made to your insurance company on your behalf to pay for all or part of the premiums for your coverage. If this is the only column in Part III that is filled in with an amount other than zero for a month, it means your policy was terminated by your insurance company due to nonpayment of premiums, and you aren't entitled to take the premium tax credit for that month when you file your tax return. You still must reconcile the entire advance payment that was paid on your behalf for that month using Form 8962. No information will be entered in this column if no advance credit payments were made.

Lines 21–33. The Marketplace will report the amounts in columns A, B, and C on lines 21–32 for each month and enter the totals on line 33. Use this information to complete Form 8962, line 11 or lines 12–23.
